CORRESPONDENCE

DEWEY

A rousing temperance meeting was held at the Dunkard church Sunday night. Recitations were given by Misses Teeter, Harvey and Greenwood. Mrs. Buster and Mrs. John Greenwood. Speeches were made by Judge Brock and Messrs. Wampler, Weimar, Greenwood, Matthews and Wood, and Mrs. May Matthews. D. W. Teeter led the singing and a good profitable time was had. Everybody was on the "dry" side.

Daniel Evans was found dead in his bed in a hotel in Oklahoma where he had gone on business, a few days ago. His home was in Joplin and he was brought up from there Wednesday and buried in the Dunkard graveyard by the side of his little daughter. The Masons had charge of the ceremonies and a dozen autos came up from Joplin, bringing the relatives and friends, and were met at the church by sympathizing neighbors. Mr. Evans was a son-in-law of Mrs. Freeman who lived north of Carytown for many years.

Miss Hill of Carthage came out Saturday to spend two or three months with her father, who is living where Mr. Duckett used to live. She is a good Sunday school worker and is very much needed to help Salem through the holidays.

The Salem W. C. T. U. were represented in the big temperance parade by Mmes. Daniels, Matthews, Turner, Alexander and Crow, and Miss Eva Daniels.

Mrs. Owens' nephew, Judd Hurst, is getting well after a week's illness.

James Booker was found dead in his bed Thursday morning when called to breakfast by his daughter. They lived northeast of Carthage, and formerly lived on Mrs. Gaddis' farm.

The Carytown school was closed all last week on account of sickness in the teacher's family.

Mrs. Flowers of Mt. Moriah spent Friday with her son and Mrs. Estey.

Mrs. Gaddis is expected home from Webb City this week.

Misses Gowing and Queen spent Sunday with Miss Vanch Simmons.

30 Days Trial In your Home

We know all about other sewing machines, from treadle to spool pin; we know them all, the cheapest and the highest price. We have investigated them all—Everyone of them has been found lacking some real essential; every one of them has had some glaring faults—but in

The FREE

which you hear and read so much about, we offer a machine that is *perfect, absolutely perfect*, a machine in which not the smallest detail can be improved.

And in order to get you to realize this superiority as we do, we have decided three things.

First, that we cannot afford to advertise its low price—you would never imagine that you could get so perfect a machine for so little money. To appreciate its price, you must come to the store and see the machine first.

Second, we will offer you the chance to test The FREE, from treadle to spool pin, in your own home. The best way for you to become enthusiastic over its one point of superiority after another is to actually sew on The FREE for 30 days. We want you to keep it in your home—to sew on it as if it were your own—to test it in any way you choose—to compare it with any other sewing machine you know of and then make your decision. Unless you are fully satisfied—more than satisfied—send it back to us—it will not cost you a cent, we will refund all you have paid on it.

But there will be at least 32 reasons why you will want to keep The FREE when the 30 days are over.

—There is the rare beauty of its French-leg design and the Japanese finish which never shows dust.

—There are the 8 sets of Ball-Bearings which make it the lightest running sewing machine in the world.

—Then there is the "Rotoscillo" movement—Mr. Free's own invention which makes The FREE faster than the fastest Rotary and simpler than the simplest shuttle.

We want you to experience all of these things yourself and our third decision is to make it extremely easy for you to keep The FREE by offering it to you at your own terms as low as

—There is the Shuttle Ejector, the Automatic Locking Drawers, the Rotary Spool Pin, the Improved Head Latch, the Automatic Tension Release, the Automatic Lift, the Reinforced Shuttle which never wears out, the bell which never comes off, the remarkable 5 year Insurance Policy against all kinds of accidents—and everything else you could ever imagine to make a sewing machine absolutely perfect.

\$1 a Week Payments

Come and see The FREE tomorrow and take it home for a month's trial.

Shall Women Vote?

If they did, millions would vote Dr. King's New Life Pills the true remedy for women. For banishing dull, fagged feelings, backache or headache, constipation, dispelling colds, imparting appetite and toning up the system, they're unequalled. Easy, safe, sure. 25c at Webb Bros.
